

Voici les idées proposées par les élèves des 2 classes de 3ème. C'était l'idée centrale de chacun de leur discours de 30 secondes, censé convaincre les dirigeants du monde, à la manière des jeunes qui s'expriment à la tribune de la COP 26 dans le cadre du Earth Prize

- « Let's defend the Amazon Forest and agricultural development. » N.B.
- « We should use public transports. » J.T.
- « Use electric cars and reduce the pollution of factories. » D.E.
- « The future generation will have to reduce waste. » L.V.T.
- « We must make efforts to reduce global warming. » L.B.
- « Do not have children because we consume more. » A.D.
- « The Earth is suffering. Let's change our lifestyle to save the earth. » M.C.
- « The natural resources that could be given to us are useful. » M.C.
- « Why are we making our planet suffer? » M.G.B.
- « Take care of our planet. I think we can still make a difference. » E.L.B.
- « Use clean energy and compost. » C.L.
- « This is a climate crisis. Act now for the planet. » L.L.
- « How dare you? Think of our future! » E and L
- « Stop using palm oil. » T.O.A.
- « Pesticides are dangerous. » B.P.
- « Clean energy could have a good impact on the climate. » M.R.
- « Stop using plastic. » T.R.
- « Finally, recycle your electronic devices. » M.R.
- "Put more dustbins." J.L.
- "Stop feeding animals with plastic waste." M.P.
- "Use a car when it's useful. Have a shower during 9 minutes maximum." N.G.
- "Install electric trains." E.C.
- "Use more recyclable and recycled objects." A.B.
- "Sell less expensive electric cars." V.C.

"We must reduce petrol consumption." J.T.

"Plastic pollution has harsh consequences on marine animals." M.J.

"We must act to preserve our beautiful planet." L.T.

"Shut down nuclear factories and stop diesel cars." J.F.

"We can therefore recycle electronic devices." L.D.

"Why not using solar panels?" L.J.

"Stop deforestation and preserve our natural landscapes." S.F.

"Saving the planet is to save you and the next generation." J.L.N.

"Save Bobby the polar bear because ice is melting." E.R. and J.G.D.

"Stop throwing the masks." C.A.
